HOTEL DE EDGE BY RHOMBUS OPENS IN HONG KONG

(Hong Kong, May 4, 2011) Hotel de EDGE by Rhombus, the fourth property in Hong Kong managed by Rhombus International Hotels Group, is now open.

Located in Hong Kong's vibrant historic district, **Hotel de EDGE by Rhombus** stands midway between the culture of Sheung Wan and the commerce of Central. Within walking distance to Central, and the Macau Ferry Terminal, the hotel is just half an hour away from Hong Kong International Airport.

Designed by award-winning Hong Kong architect **Antony Chan**, the 32-storey **Hotel de EDGE by Rhombus** aims to create an all-new urban hotel experience. Efficient, practical and stylish, most of the 90 value-for-money rooms boast panoramic views of Hong Kong's world-famous Victoria Harbour.

"**Hotel de EDGE by Rhombus** offers visitors the best of both worlds," says **Calvin Mak, Founder and CEO of Rhombus International Hotels Group**. "Ideally located between Sheung Wan and Central, the property also delivers breathtaking views of Victoria Harbour. With its stylish design and easy access to major attractions and transportation routes, we're confident that **Hotel de EDGE by Rhombus** will be the hotel of choice for international business and leisure travellers alike."

"This is an exciting time for the Rhombus Group, as we're actively expanding our business in the region," notes Calvin. "We're getting ready for the opening of a new 5-star hotel in Chengdu in October, Rhombus Fantasia Chengdu Hotel – our flagship hotel in mainland China, and we have several other projects in the pipeline."

"We're particularly encouraged by the growth in boutique hotels. Our hotels provide personalised services and facilities in an intimate and welcoming setting. We expect this trend to continue."

Ideally located in Connaught Road West, **Hotel de EDGE by Rhombus** offers personalised service catering to the needs of today's discerning travellers.

The hotel's designer Antony Chan explains, "**Hotel de EDGE by Rhombus** is uniquely designed to reflect its personality and attitude. We've given the hotel a timeless sensuality and sense of style. Guests will appreciate the attention to detail, the relaxing ambience and the use of space."

"We wanted to deliver a true Hong Kong experience. Aside from creating a 'home-away-from-home' sanctuary for travellers, we wanted them to experience the energy of the city," explains Antony.

Hotel de EDGE by Rhombus offers five accommodation categories: Superior Room, Harbour View Room, Deluxe Room, Deluxe Harbour View Room and Executive Harbour View Room. Each room includes complimentary WiFi internet access and features high quality audiovisual equipment, a 42-inch LED TV, DVD Player and an iPod or iPhone docking station.

glo restaurant + lounge, situated on the first floor of the hotel is headed by Canadian Chef Robert Lockwood. Serving a variety of exquisite traditional dishes as well as a

few wildly innovative examples of molecular cooking, **glo restaurant + lounge** has a cosy and relaxing atmosphere for sipping classic cocktails or savoring modern cuisine.

To celebrate **Hotel de EDGE by Rhombus'** opening, guests can enjoy a special room rate of only HK\$898* per night staying at Superior Room.
