Representing the largest cross-section and highest standards within the industry, these awards were presented recently to businesses, entities and entrepreneurs who have made positive contributions to China's hotel industry, at a star-studded award ceremony held in Guangzhou. 'These awards reflect the consolidated effort of all Rhombus team members, without their contribution and continuous commitment in executing our corporate goals and philosophies, we would not be able to receive such distinguished recognition. This will facilitate our continuous expansion in the region, which in turn, enhances career development and opportunities for each and every member of our Rhombus family' says Mr. Calvin Mak, Founder & CEO of Rhombus International Hotels Group.

The energy and enthusiasm generated by this recognition is uplifting for our entire team, especially as we prepare to open our 4th property, *Hotel de EDGE by Rhombus*, a modern boutique hotel located in Sheung Wan, Hong Kong in May 2011. In addition to managing 3 award-winning properties in Hong Kong, including *Hotel Panorama by Rhombus*, *Hotel LKF by Rhombus* and *Hotel Bonaparte by Rhombus*, in late 2011 we will open our Flagship Hotel in *China*, *Rhombus Fantasia Chengdu Hotel*, a 5-star all-suite hotel, connected to the tallest 49-storey office building in Chengdu, with spacious and uniquely designed guestrooms and Presidential Suite.
